6. Sh. Rajiv Aggarwal, Architect } Archigroup Architects, Noida.
7. Ms. Mansi Bedi, Architect } Archigroup Architects, Noida.
8. Sh. H. P. Singh, Executive Engineer, PTU

Item No. 32.1 : To confirm the Minutes of 31st meeting of Standing Building Construction Committee held on 14.03.2012.

The minutes of 31st meeting of Standing Building Construction Committee held on 14.03.2012 were confirmed by all the members.

Item No. 32.2 : Action taken on various items discussed during previous meetings of Standing Building Construction Committee.

Executive Engineer, PTU gave details of action taken on various items discussed during previous meeting of Standing Building Construction Committee which are as under:

- The scrutiny of the applications received against one post of Assistant Executive Engineer and two posts of Assistant Engineer for Construction cell has been completed and interviews for Assistant Executive Engineer is being held on 30.03.2012.
- Based upon the decisions taken in 31st meeting of the Building Committee regarding master plan of PIT Mansa, the Architect has revised the master plan and is being presented in this meeting.
- The contractor for construction of boundary wall of PIT, Nandgarh (Bathinda) has been appointed and the works have been started.
- The contractor for construction of boundary wall of PIT, Mansa has been appointed and the contractor is mobilizing his resources to start the work.

Item No. 32.3 : To discuss and approve the Master plan of proposed Punjab Institute of Technology at Mansa (Main campus).

Based upon the suggestions/modifications agreed during 31st meeting of the committee, the revised master plan prepared by the Architect was presented in the meeting. After due deliberations and discussions, committee suggested the following amendments:

1. Master Plan Layout and Space allocation:

- Committee agreed in principal for the second option presented in the meeting, wherein library was placed at the centre.
- A separate building may be planned for Canteen cum Student Activity Centre.
- Common research facilities may be integrated with library and 5-6 rooms of about 600 Sft area each may be kept for the same.
- Sub-station building to be shifted near the Administrative Building as this is one of the requirements of Punjab State power Corporation while granting electric connection and moreover this will be economical as length of cables required will be minimal.

2. Administrative Block:

- The offices of Deans, which have been located at Ground floor of the proposed building should be shifted to 1st floor of this building.
- One toilet at ground floor is not required and thus may be omitted.
- No open terrace adjoining Director office is to be provided.
- The provision of glass roofs may be re-examined.

3. Typical Engineering Block/Building:

- Shape of the central courtyard to be modified.
- The circulation area for the academic block may be re-examined as the same appears to be on the higher side.
- Provision of one lift for the faculty and two lifts for students to be provided.
- Separate parking for faculty and students to be provided.
- The orientation of class room No. 4 to be re-examined and modified to take care of the natural light.
- The locations of all the doors of the classrooms may be re-examined to take care of the natural light.

- Laboratories of Mechanical Engineering may be housed in workshop area and Civil Engineering department is located at Ground floor of the Engineering block.

4. Junior Science Block

- The location of seminar hall having 150 sitting capacity may be re-examined.
- The rooms earmarked for Art and Activity room should be used for Zoology and Botany labs. It was confirmed by Dean/Academics that with this change, the total requirement of the labs is met.
- The layout of the Faculty rooms should be re-examined.

The Architect was advised to revise the Master plan on the basis of above decisions and present the same in the next meeting of Standing Building Construction Committee proposed to be held in third week of April 2012.

The meeting ended with thanks to the chair.
